

Dear Doelen Coach client,

Please be informed that due to structural shortage of parking availability at Schiphol Airport, we will continue parking in the A-lane this year for all arrival transfers (incoming flights). This is also a convenience for you and your passengers as we now have a fixed location for parking our coaches directly outside the Arrival-halls. A detailed plan of the airport ground can be found below.

There is however a time limit for parking in the A-lane of 29 minutes. Extended parking time will be charged which extra costs we will forward to our client(s).

To avoid extra expenses and to make transfers run smoothly, we ask for your cooperation:

- 1) when the group is complete including all luggage, please let the guide/tour leader call Doelen Coach office at **+31 (0)20 653 0981** or **+31 (0)20 653 0971** (24/7)
- 2) our driver then immediately drives off and will arrive at the A-lane within 5 minutes
- 3) the guide/tour leader will lead the group to the A-lane where meanwhile our coach will have arrived; passengers will board and their luggage will be loaded.
- 4) the coach will then be able to leave for its destination within 29 minutes.

The costs of parking at the airport is € 14,50 per vehicle for all arrival-transfers at Schiphol. This rate is also listed in all our pricelists and includes 21% VAT.

Please contact us if you have any questions or remarks.

Kind regards,

**Doelen Coach Service BV**
